The three most important  
questions students ask in middle  
school are: *Who am I? Why am I here?*  
*And Who's with me?*

So we designed a fellowship where  
students can dive deep into the  
Scriptures and answer these questions  
for themselves. We allow them to own  
their faith and discover what they  
actually believe.

### What's in Trek?

We offer each student a Bible Study book called "His Love." It has biblically rich content with practical application for the students' lives. Each lesson includes an activity, lesson, memory verse and 7 days of devotions. The handbook is available at a subsidized price of \$10 with a registration fee of \$15. (You do not need a new book if you have one already). We will be starting in Chapter 2.

We will typically structure our program as follows:

7:45 PM- 8:45 PM: Welcome, worship, icebreakers, sharing, handbook time and lesson.

8:45 PM-9:15 PM: Gym/activity time.
